AMEND Senate Bill No. 2936

House Bill No. 2827*

by deleting the original Section 1 in its entirety and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 68-1-119, is amended by
adding the following new subsection:

(f) The claims data required to be reported by this section shall be collected and reported only to the extent it is collected and reported in the normal billing process unless other claims data is deemed by the commissioner to be essential to the development or use of the ASTC claims data reporting system in which case the identified data that is outside the normal billing process must be collected and reported, provided, however that such other claims data that may be required to be collected and reported shall be consistent with data required to be collected and reported by other healthcare providers. Any data that is submitted to the commissioner pursuant to this section shall be made available to the public no more frequently and no sooner after the data is submitted than the data collected and reported by licensed hospitals pursuant to §68-1-108.
